

Schedule A
(AT&T Door to Door Out-of-Footprint)

Subject to the terms and conditions of the Statement of Work and Agreement, if ICD is authorized to offer Products through door to door residential canvassing for AT&T Services, Inc. ("AT&T" or "Client"), the following shall apply:

Ordering/Commission/Payment:

1. Ordering

- a. **Order Forms** AT&T will provide to ICD standard order forms for completion by customers that wish to purchase AT&T Products. The order forms will either be in an electronic format in a mobile application to be submitted via a mobile device, or in hard copy documents. If hard copy documents are provided, such order forms will be in duplicate or triplicate formats. Upon a customer's acceptance of an offer for a Product, ICD shall have the customer complete either the electronic or hard copy forms (collectively referred to herein as the "**Completed Order Form**"). Each Completed Order Form will have all required information completed, including but not limited to: (i) personal information of the customer (e.g. name, address, telephone number, etc.); and (ii) the number and types of Products to be provided. Upon completion of the Completed Order Form, ICD shall call the designated call center and arrange for the customer to speak directly to the call center. ICD shall not record such call or write down or record any information transmitted by the customer to the call center. If hard copies of the order form are completed, Smart Circle may instruct ICD to scan and send the Completed Order Form to Smart Circle through a designated secure format. ICD shall also provide one (1) copy of the Completed Order Form to the customer and retain the remaining copy. All hard copies of Completed Order Forms and any other documents containing Personal Customer Information shall be retained at ICD's office location for at least (3) years commencing on the date of the Completed Order Form, in a safe, secure location (e.g. a locked cabinet with access limited to high-level ICD personnel).

2. Commission/Payment

a. **Out-Of-Footprint (OOF) and In-Footprint (INFP) Wireless (Mobility) Services**

- i. In connection with the Services, ICD may be authorized to offer wireless services (cell phone plans) to out-of-footprint customers ("**OOF Customer**") and in-footprint customers ("**INFP Customer**"). Smart Circle will pay ICD a Commission for each Approved Activation under this subsection 2(a) as set forth below. In connection with wireless (mobility) service customers, an "**Approved Activation**" shall include the occurrence of all of the following items 2(a)(i)(a)-2(a)(i)(c) below, in which a wireless services (cell phone plans) activation:

- (a) Is initially procured by ICD, through an ordering process satisfactory to the Client ("**Customer Sale**");
- (b) Is activated on the OOF Customer's or INFP Customer's approved device (Items 2(a)(i)(a) and 2(a)(i)(b) together shall be an "**Activation**"); and
- (c) For which Smart Circle received payment.

Note: In the event the OOF Customer or INFP Customer cancels his/her wireless service within 180 days from the date of their Activation, Smart Circle, at its sole discretion, may deem the Commission unearned and reserves the right to offset the Commission paid to ICD for that Activation against future Commissions due ICD from Smart Circle. Until such time as Smart Circle receives payment from Client, Commissions paid on Activations are: (A) subject to claw back (in addition to Smart Circle's other claw back rights); and (B) considered an advance.

ii. **Commission**

- (a) Port Lines OOF Customers & INFP Customers – Each month, Smart Circle will review New and Port Line disconnects (BYOD and Non-BYOD) by OOF Customers and INFP Customers from the preceding 0-30 days ("**0-30 Day Churn Rate** ") and the preceding 90-120 days ("**90 Day Churn Rate**"). Based upon the 0-30 Day Churn Rate and 90 Day Churn Rate, each month, Smart Circle will adjust ICD's compensation accordingly for (1) Port Lines (except BYOD) for OOF Customers ("**Port Line OOF**"); (2) Port Lines for INFP Customers (except BYOD) ("**Port Line INFP**"); (3) OOF Customers bring their own

device (“**BYOD OOF**”); and (4) “Bring-Your-Own- Device” for INFP Customers (“**BYOD INFP**”). At the beginning of each month, Smart Circle will send a Change Notice to ICD to inform it of the Churn Tiers (as listed below), based upon the respective 0-30 Day Churn Rate and the 90-Day Churn Rate, for the next month. Please note that the 30-day Churn Rate and corresponding Churn Tiers are on the vertical row of Chart 1 while the 90-day Churn Rate and corresponding Churn Tiers are horizontal across top of Chart 1.

Chart 1: Churn Tiers for Port Non-BYOD Lines

			90-Day Churn Rate			
			Tier 1	Tier 2	Tier 3	Tier 4
			≥14.01%	11.01% - 14%	8.01% - 11%	≤ 8%
0-30 Day Churn Rate	Tier 1	≥ 7.51%	Tier 1-1	Tier 1-2	Tier 1-3	Tier 1-4
	Tier 2	4.86% - 7.50%	Tier 2-1	Tier 2-2	Tier 2-3	Tier 2-4
	Tier 3	2.21 – 4.85%	Tier 3-1	Tier 3-2	Tier 3-3*	Tier 3-4
	Tier 4	≤ 2.20%	Tier 4-1	Tier 4-2	Tier 4-3	Tier 4-4

* NOTE – In the month when calculating either the 0-30 Day Churn Rate or the 90 Day Churn Rate, if ICD has 19 or fewer Port Line (except BYOD) Activations, then ICD will automatically be placed in Tier 3-3.

The following Chart 2 shows the corresponding Commission amounts for New Port Line (OOF and INFP as determined by the Churn Tiers that ICD falls into which is based on the 0-30 Day New Port Line Churn Rate and 90 Day New Port Line Churn Rate:

Chart 2: Commission Amounts for Port Non-BYOD Line

Churn Tier* (0-30 Day Churn Tier – 90 Day Churn Tier)	Port Line OOF	Port Line INFP
Tier 1-1	\$143	\$123
Tier 1-2	\$153	\$133
Tier 1-3	\$163	\$143
Tier 1-4	\$173	\$153
Tier 2-1	\$168	\$148
Tier 2-2	\$178	\$158
Tier 2-3	\$188	\$168
Tier 2-4	\$198	\$178
Tier 3-1	\$193	\$173
Tier 3-2	\$203	\$183
Tier 3-3*	\$213	\$193
Tier 3-4	\$223	\$203
Tier 4-1	\$203	\$183
Tier 4-2	\$213	\$193
Tier 4-3	\$223	\$203
Tier 4-4	\$233	\$213

* Example 1: ICD's current 0-30 Day New Line Churn is 4.00% (Tier 3) and current 90 Day Churn is 8.00% (Tier 4). This ICD would have a New Line Churn Tier of Tier 3-4 and a Commission Rate of \$223 for Port Line OOF, and \$203 for Port Line INFP.

* Example 2: ICD's current 0-30 Day New Line Churn is 6.00% (Tier 2) and current 90 Day Churn is 16.00% (Tier 1). This ICD would have a New Line Churn Tier of Tier 2-1 and a Commission Rate of \$168 for Port Line OOF, and \$148 for Port Line INFP.

Chart 3: Churn Tiers for Port BYOD

			90-Day Churn Rate			
			Tier 1	Tier 2	Tier 3	Tier 4
			≥30.01%	23.01-30%	15.51-23%	≤ 15.5%
0-30 Day Churn Rate	Tier 1	≥ 15.01%	Tier 1-1	Tier 1-2	Tier 1-3	Tier 1-4
	Tier 2	10.51-15.00%	Tier 2-1	Tier 2-2	Tier 2-3	Tier 2-4
	Tier 3	5.51-10.5%	Tier 3-1	Tier 3-2	Tier 3-3*	Tier 3-4
	Tier 4	≤ 5.5%	Tier 4-1	Tier 4-2	Tier 4-3	Tier 4-4

* NOTE – In the month when calculating either the 0-30 Day Churn Rate or the 90-Day Churn Rate, if ICD has 19 or fewer BYOD Activations, then ICD will automatically be placed in Tier 3-3. However, if ICD's BYOD churn tier is lower than Tier 3-3, ICD's BYOD churn tier will match the current Non-BYOD churn tier.

The following Chart 4 shows the corresponding Commission amounts for BYOD determined by the Churn Tiers that ICD falls into which is based on the 0-30 Day New Port Line Churn Rate and 90 Day New Port Line Churn Rate:

Chart 4: Commission Amounts for Port BYOD

Churn Tier (0-30 Day Churn Tier – 90 Day Churn Tier)	BYOD OOF	BYOD INFP
Tier 1-1	\$128	\$108
Tier 1-2	\$143	\$123
Tier 1-3	\$158	\$138
Tier 1-4	\$173	\$153
Tier 2-1	\$143	\$123
Tier 2-2	\$158	\$138
Tier 2-3	\$173	\$153
Tier 2-4	\$188	\$168
Tier 3-1	\$158	\$138
Tier 3-2	\$173	\$153
Tier 3-3*	\$188	\$168
Tier 3-4	\$203	\$183
Tier 4-1	\$173	\$153
Tier 4-2	\$188	\$168
Tier 4-3	\$203	\$183
Tier 4-4	\$218	\$198

* Example 1: ICD's current 0-30 Day BYOD Churn is 4.00% (Tier 4) and current 90 Day BYOD Churn is 8.00% (Tier 4). This ICD would have a BYOD Churn Tier of Tier 4-4 and a Commission Rate of \$218 for BYOD OOF, and \$198 for BYOD INFP.

* Example 2: ICD's current 0-30 Day BYOD Churn is 11.00% (Tier 2) and current 90 Day BYOD Churn is 31.00% (Tier 1). This ICD would have a BYOD Churn Tier of Tier 2-1 and a Commission Rate of \$143 for BYOD OOF, and \$123 for BYOD INFP.

- (b) New Line for OOF Customers – ICD will receive a payment of \$25 per Approved Activation.
- (c) New Line for INFP Customers – ICD will receive a payment of \$25 per Approved Activation.
- (d) Next Up OOF Customers & INFP Customers – ICD will receive a payment of \$15 per Approved Activation if the new or existing OOF Customer and/or INFP Customer (both existing and non-existing Fiber) adds the Next Up feature at the time of Approved Activation and Client recognizes and pays Smart Circle for such customer addition.
- (e) Wireless Upgrades (Voice) (Excluding tablets, wearables, and BYOD) – ICD will receive a payment of \$30 per upgrade for Approved Activations if a OOF Customer and/or INFP Customer (both existing and non-existing Fiber) upgrades an existing voice plan ("**Wireless Upgrades (Voice)**") and Client recognizes and pays Smart Circle for such upgrade.
- (f) Tablets and Wearables (Non-BYOD) – ICD will receive a payment of \$25 per authorized new tablet or wearable device for new non-BYOD OOF Customers and INFP Customers (both existing and non-existing Fiber) at the time of Approved Activation and Client recognizes and pays Smart Circle for such customer addition.
- (g) Unlimited Feature Bonus – ICD will receive a Bonus Payment if the new or existing OOF Customer or INFP Customer (both existing and non-existing Fiber) adds Unlimited Premium (Elite) (\$15) ("**Unlimited Premium Bonus**") or Unlimited Extra (\$10) ("**Unlimited Extra Bonus**") features at the time of the Approved Activation and Client recognizes and pays Smart Circle for such customer addition.
- (h) OOF Bundle Bonus – ICD will receive a Bonus Payment in the amount of \$25 when an OOF Customer bundles a New Line or Port Line (except BYOD) with Internet Air (as defined in 2(c) below) ("**OOF Bundle Bonus**"), only if both the New Line or Port Line and Internet Air products become Approved Activations as defined by 2(a)(i)(a)-2(a)(i)(c) and 2(b)(i)(a)-2(b)(i)(d), respectively.
- (i) Wireless Port sales that are ported over from port carrier "Bandwidth.com" and other VoIP (Voice over Internet Protocol) port carriers will **not** be paid.
- (j) ICD acknowledges and understands that no other Commission amounts or Bonus Payments are payable under this Schedule.
- (k) Notwithstanding anything in subsections 2(a)(ii)(a) above to the contrary, if the wireless OOF Customer or INFP Existing Fiber Customer chooses to activate a New or Port Line with a "non-smartphone" device, then it will be considered a New or Port Line (BYOD) for Commission purposes.
- (l) Smart Circle will provide a report listing the Activations on a weekly basis for Activations processed the previous week ending on Saturday. This report will be referred to in this Statement of Work as the "**DD Report.**" The DD Report will include corresponding Commission amounts in the event such Activations become Approved Activations. The DD Report will exclude, and ICD will not be paid on, any Activations that were activated and disconnected during the same week. Smart Circle will advance ICD the Commission amounts listed in the DD Report no later than five (5) days after the DD Report is published. ICD understands and acknowledges that such advance payments on Activations will be subject to claw back by Smart Circle should the Activation not result in an Approved Activation.

- (m) Smart Circle may, in its sole discretion, include in the DD Report, and advance pay for, one or more Customer Sales from previous weeks that have not yet resulted in Activation(s). ICD understands and acknowledges that any advance payments on such Customer Sales will be subject to claw back by Smart Circle should the Customer Sale not result in an Approved Activation.

b. AT&T Internet Air for INFP Customers

- i. In connection with the Services, ICD may be authorized to offer AT&T Internet Air (“**Internet Air**”) services to INFP customers. Smart Circle will pay ICD a Commission for each Approved Activation under this subsection 2(b) as set forth below. In connection with Internet Air service, an “**Approved Activation**” shall include the occurrence of all of the following items 2(b)(i)(a)-2(b)(i)(d) below, in which the Internet Air service activation:

- (a) Is initially procured by ICD, through an ordering process satisfactory to the Client (“**Customer Sale**”);
- (b) Includes a purchase of a new AT&T Internet Air branded device;
- (c) Is installed and Client’s billing has begun resulting in a “posted status” by the Client (Items 2(b)(i)(a) - 2(b)(i)(c) together shall be an “**Activation**”); and
- (d) For which Smart Circle received payment.

Note: In the event the INFP customer cancels its Internet Air service within the same calendar month of the “posted status” date then the Client deems such Activation as a non-qualifying order which will be subject to claw back. Furthermore, in the event the INFP customer cancels its Internet Air service within 180 days from the date of their Activation, Smart Circle, at its sole discretion, may deem the Commission unearned and reserves the right to offset the Commission paid to ICD for that Activation against future Commissions due ICD from Smart Circle. Until such time as Smart Circle receives payment from Client, Commissions paid on Activations are: (A) subject to claw back (in addition to Smart Circle’s other claw back rights); and (B) considered an advance.

ii. Commission

- (a) Internet Air - ICD will receive a payment of \$93 per Approved Activation.
 - 1. Auto Bill Pay Bonus - ICD will receive a Bonus Payment of \$30 if a new customer enrolls in automatic bill payments at the time of Approved Activation and Client recognizes the automatic bill pay addition (“**Internet Air Auto Bill Pay Bonus**”).
- (b) Smart Circle will provide a report listing the Activations on a weekly basis for Activations processed the previous week ending on Saturday. This report will be referred to in this Statement of Work as the “**DD Report**.” The DD Report will include corresponding Commission amounts in the event such Activations become Approved Activations. The DD Report will exclude, and ICD will not be paid on, any Activations that were activated and disconnected during the same week. Smart Circle will advance ICD the Commission amounts listed in the DD Report no later than five (5) days after the DD Report is published. ICD understands and acknowledges that such advance payments on Activations will be subject to claw back by Smart Circle should the Activation not result in an Approved Activation.
- (c) Smart Circle may, in its sole discretion, include in the DD Report, and advance pay for, one or more Customer Sales from previous weeks that have not yet resulted in Activation(s). ICD understands and acknowledges that any advance payments on such Customer Sales will be subject to claw back by Smart Circle should the Customer Sale not result in an Approved Activation.

c. Protection Plans

- i. In connection with the Services and in addition to ICD offering wireless services (cell phone plans) to customers, ICD also may be authorized to offer customers (either OOF or INFP customers) various AT&T service plans to protect their devices (e.g. smartphone, tablet, watch, laptop). Smart Circle will pay ICD a Commission for each Authorized Feature under this Section 2(c) as set forth below. In connection with protection plan customers, an “**Authorized Feature**” shall include the occurrence of all of the following items 2(c)(i)(a)-2(c)(i)(c) below, in a protection plan:

- (a) Is initially procured by ICD, through an ordering process satisfactory to the Client (“**Customer Sale**”);
- (b) Is procured at the same time the customer activates at least one (1) OOF or INFP wireless line (New Line or Upgrade) in accordance with Section 2(a) of this Schedule A (Items 2(c)(i)(a)-2(c)(i)(b) together shall be an “**Activation**”); and
- (c) Smart Circle receives payment from the Client.

Note: In the event the customer cancels his/her wireless service, thereby also canceling their protection plan, within 90 days from the date the Authorized Feature is ordered, Smart Circle, at its sole discretion, may deem the Commission unearned and reserves the right to offset the Commission paid to ICD for that Activation against future Commissions due to ICD from Smart Circle. Until such time as Smart Circle receives payment from Client, Commissions paid on Activations are: (1) subject to claw back (in addition to Smart Circle’s other claw back rights); and (2) considered an advance.

ii. Commission

- (a) Subject to the terms and conditions of the Agreement and this Statement of Work, the following Commission amounts will be paid per Authorized Feature:
 - 1. AT&T Protect Advantage for 1 Device – ICD will receive a payment of \$15 per Authorized Feature.
 - 2. AT&T Protect Advantage for 4 Devices – ICD will receive a payment of \$50 per Authorized Feature.
- (b) Smart Circle will provide a report listing the Activations and corresponding Commission amounts on a weekly basis, for Activations processed the previous week ending on Sunday. This report will be referred to in this Statement of Work as the “**DD Report.**” The DD Report will include corresponding Commission amounts in the event such Activations become Approved Activations. The DD Report will exclude, and ICD will not be paid on, any Activations that were activated and disconnected during the same week. Smart Circle will advance ICD the Commission amounts listed in the DD Report no later than five (5) days after the DD Report is published. ICD understands and acknowledges that such advance payments on Activations will be subject to claw back by Smart Circle should the Activation not result in an Authorized Feature.
- (c) Smart Circle may, in its sole discretion, include in the DD Report, and advance pay for, one or more Customer Sales from previous weeks that have not yet resulted in Activation(s). ICD understands and acknowledges that any advance payments on such Customer Sales will be subject to claw back by Smart Circle should the Customer Sale not result in an Authorized Feature.

3. Tablets. ICD may be issued and loaned tablet devices to perform Services (“**Tablet(s)**”).

- a. ICD acknowledges and agrees that the Tablets are owned by and will remain the property of Smart Circle. ICD shall track and account for each Tablet it receives.
- b. ICD shall ensure that the Tablet is only used to perform the Services set forth in this Statement of Work. ICD agrees that neither ICD nor the ICD Sales Representatives will access, copy, or use Personal Customer Information entered or stored on the Tablet, except solely to the limited extent necessary to perform the Services.
- c. ICD agrees to take all commercially reasonable precautions to maintain its Tablet(s) in good working condition and keep them safe from harmful weather, theft, loss, or damage. ICD will notify Smart Circle immediately upon discovery of any loss, theft, damage, or malfunction of a Tablet. ICD agrees that it shall be responsible for the cost of any lost, stolen, damaged, or otherwise unreturned Tablet, pursuant to the following Tablet Fee Schedule, and Smart Circle may deduct the associated cost or fee from any amounts owed to ICD by Smart Circle, including Commissions, Bonus Payments, or any other incentive-based compensation payments, in accordance with the Agreement.

Tablet Fee Schedule

Tablet Incident Type	1st INCIDENT	2nd INCIDENT	3rd INCIDENT	DETAILS
Broken (Repairable)*	\$100	\$125	\$150	Escalating charge applies per repair occurrence per Tablet line.
Stolen or Lost	\$150	—	—	A flat charge.
Not Returned	\$200	—	—	A flat charge applies if ICD ends its Services with Smart Circle and Tablet is not returned for any reason.
Returned With Damage	\$100	—	—	A flat charge applies if ICD ends its Services with Smart Circle and Tablet is returned but in broken or damaged condition.

*Please note the Broken (Repairable) fees apply for any damage to a Tablet beyond screen repair, back glass repair, or battery replacement.

- d. In the event ICD stops participating in the AT&T campaign, or upon termination of the Agreement or this Statement of Work, or at any other time at the request of Smart Circle, ICD shall return the Tablets and any accessories (e.g. chargers) within seventy-two (72) hours.
